SPRING 2013

Introducing... The Revellers

Just recently, *The Revellers* have taken over the management of the Kadidjiny Park Hall... but wait! Who exactly are *The Revellers*?

We are an exciting new theatre company based in Perth who are interested in the educational possibilities that theatre offers and how we can bring that to the wider community. Our ultimate goal is to create a catalogue of plays through the adaptation of both classic and contemporary texts which we can then use to develop enriching and engaging theatre experiences. Our hope is to make our productions as inspirational as they are interactive, and to engage with the school curriculum in new and exciting ways.

Our group comprises of individuals (including full-time teachers and university lectures) with a myriad of talents and skills. *The Revellers'* ultimate aim is to develop ways to engage with audiences; eventually taking these performances to rural communities.

We also hope to foster local talent and allow opportunities within the company for growth and development of skills in areas such as acting, directing and design. We believe that The Arts offers a significant educational benefit for audiences, and the community at large.

For future events, expect to see the Orchestra at the Jacaranda Festival (23rd November) and at the South Perth Civil Hall (7th December). Also, if you play a string instrument, bassoon or French Horn, the orchestra is looking for you. Come to regular rehearsals at the Kadidjiny Park Hall. Little Hands

The Kadidjiny Park Hall is proud to announce their involvement with this year's Little Hands Festival. On Sunday, 20th October, Kadidjiny Park will celebrate Children's Week with the help of an entertaining themed event. From 12pm to 3pm, expect to see a lot of wizards and fairies take over the park.

There will be lots of stalls and community groups to see, and the park will come alive with an Enchanted Forest adventure. With lots of activities for the kids, this promises to be a wonderful, magical day.
